“ I remember sitting on her sewing table eating rhubarb and sugar. She always said she did not care what rhubarb we took as long as it was not a big one. I visited her every day and she always made me a skirt every summer. I actually just had a dream about her recently. So sorry for your loss. Denise L.

“ What a sad day, the world truly lost one of the best people when Mrs. Kuhner left us. Heaven will be a new and wonderful place with her in it. Mrs. Kuhner was so compassionate and showed my children how to do many new things. Tammy, Michelle, Denise, Richie and Katelyn spent a lot of time with her and I always felt good knowing that helped her as well. My heart felt condolences to the family, please know that she is going to make heaven a new place with her kind words and actions. She will be missed by many.

“ So sorry for the loss of this wonderful woman. She was a great friend and neighbor when we lived down the street years ago. Jenna and our dog, Dumplin' were always welcomed into her home for friendly visits and treats! I'm sure our little Dumplin' was there waiting to greet her when she passed. She will always be remembered in our hearts.

“ I grew up at 18 Brown St. my back yard connected to Mrs. Kuhners she was the best neighbor a young girl could ask for. She would let me visit anytime I wanted and teach me how to sew. I much enjoyed her company and will never forget all that she did for me. I have often told my children about her. She will be deeply missed
