“ I am so sorry for your loss. Lorraine was such a beautiful soul. I worked with her at Williams for a few years before her retirement and she always had candy and a smile for my daughter who would come and visit before school. She will definitely be missed.

“ Dear Kristen, Bill, Corey, Casey, and families,  
I am so very sorry for the loss of your mom. Lorraine was a beautiful soul, and I will always treasure the friendship we developed over the years, especially the time we spent together laughing, talking, and sharing memories.

She so loved receiving Reiki, and I am especially grateful that I was able to see her before I left to visit my youngest. That time will always be meaningful to me.

I'm sorry that I won't be able to attend the services, as I'll still be in Maryland for the holidays, but please know that my thoughts and love are with you all. May your memories of her bring you comfort and peace.

With heartfelt sympathy ,

“ My condolences to Lorraine’s family in this time of sorrow. It is said that what people remember most about someone is how they made you feel, not what they said. This is true for me. I don’t remember the details of her many tales - she usually had a lot to talk about. I do remember laughing a lot and having fun around her. May she rest in peace.
