“ My condolences to the entire family. I have wonderful memories of Peggy (and of Dixie). They were amongst my favorite people - delightful and always a pleasure to be around. If only I could play golf as well as she could. I hope that her final days were as comfortable and as peaceful as possible. May she rest in peace. Win Stuebner

“ Dear Pam, Deb, and Skip Please accept my deepest sympathies on the passing of your mom. Both she and your dad were a large part of my childhood. I have such fond memories of how gracious your parents were when we visited (or invaded your home). I remember thinking how cool it was that she had a yellow convertible (and she let us take for nights out!). My prayers and thoughts are with you and may your memories bring you peace.
