“ Kathy & family, I am sincerely sorry for your loss. I can't imagine how you must feel right now. I had hoped to see him again one more time. This is such a shock to all of us. Mark always had a great sense of humor & was such happy guy. He will be missed by all of us, esp. his classmates. I am just bawling right now. I pray God eases your sorrow in the coming days & please include us all in a memorial service. Peace & Love Suzy

“ Dear Kathy, Tom & I were so sad to hear the news that Uncle Mark had passed. The same day as my birthday. We were only 3 years apart and when I was little I used to tell him I wanted to marry him! He was a gentle soul, good to his family and especially his dogs. We will all miss him so, but know he's safe in heaven, with Nana, Grandpa and Norma.Hugs to you Kathy, Tom & Kim

“ Kathy, although I knew Mark for a few short years , from middle school on Commercial Street until I moved away in '65, I have always considered him one of my dearest friends. We shared a love of pool at the poolroom, candlestick bowling across Main Street and having a burger with Bruce and Jeff at the Miss Adams Diner . On warm summer nights we snuck from our homes and met behind the diner and had long conversations with the dishwasher who lived out back. Mark was a great guy and great friend. So sorry for your loss. Rick and Patty Dziadul -Bennington, Vt.
