“ Maryellen was very warm, and giving person. She welcomed me into her family , and spent a short time in my home tending after her Nephew Dillan and Niece Emily. It will be a time they will always remember in fondness. We shared a love of animals and by animals I mean cats ...lol! Though we tended to lessen our correspondence as years went by, every conversation was meaningful. I will miss her.

“ Maryellen was a kind and caring woman. She will be surely missed by her friends at the Millhouses. I was one of those friends.
