

Michael Bresett

April 4, 2009

Mr. Michael John Bresett, 42, of 21 Town View Lane, Adams, crossed over to eternal life on Saturday April 4, 2009.

He was born in North Adams on November 27, 1966, son of William and Betty (Shaw) Bresett. He attended schools in Adams and graduated from Hoosac Valley High School with the class of 1984.

His house became a home for many young people in need of shelter, a friend, and unwavering support. Michael was a skilled craftsman whose expertise delighted his clients with an exquisite finished product. His vision, insight, and ability to take an empty space and create something special and memorable was unparalleled. He enjoyed every opportunity to satisfy a client's unique need. He always said, "If you can draw it, I can build it!" He made every house into a home. If Michael has ever helped you in any way, please pay it forward in his memory.

Besides his parent of Adams, he is survived by his wife, the former Renee M. LaRocque, whom he married on August 31, 1990;

He was predeceased by his Mother-in-Law, Phyllis LaRocque.

A Liturgy of Christian Burial will be held on Wednesday April 8, at 10:00AM in the Parish Church of Pope John Paul the Great, McKinley Square, Adams, celebrated by Rev. Daniel J. Boyle, Pastor.

There are no calling hours.

Burial will be private at the convenience of the family.

“ Dear Betty, Bill, and family,

My deepest sympathy on the loss of Michael. I can remember back in the days when Betty and all her sisters bowled at the Saints and all of the kids were there. Mike always had a constant smile and twinkle in his eye that led you to believe he was always up to something. Sometimes he was and sometimes it was Mike just being who he was -- a happy-go-lucky sweet boy. I will keep you all in my thoughts and prayers and hope that the pain of his loss will someday ease and memories of him will bring you joy.

Sincerely,

Linda

“ Renee,
Steph has been torn. She wants to see you yet she believes you wish to be alone. She wants to be with your children yet she feels that they need their privacy.
Weve told her that you and your children will find strength in each other.
Shes been telling us stories, too. She cries, we all cry, she tells a story, we all laugh so hard that we start crying all over again.
She has some wonderful memories of Mike that she will hold dear to her heart forever.
You and your family will always have a special place in her heart you all mean so much to her.
May you all find strength and comfort in each other.

“ From October to August last year, Mike and his crew built us a fine new house in Mt. Washington. Since his death, we've been reminded of him everywhere we've turned in that house. He was an incredible guy fun-loving with a great smile, but also a guy who loved his work and did it so well it was a pleasure to behold. The camaraderie that he and his crew maintained was also a delight. His energy level was high, and his ability to keep track of a dozen things at once was awesome. He was also someone with a true north--he knew what he wanted and went for it, but he was guided by a strong sense of what was right and wrong. He was fair, and he was generous. We both feel privileged to have had the opportunity to get to know him and his crew. Renee, Bill, Betty and the rest of his family, as well as his many friends and his crew, all have our deepest sympathy. We will miss him.

"To ease the burden of pain, we need to focus our attention on celebrating and honoring the life of the deceased, instead of focusing on only their death. They are in a happy place and as they look down, they wish for your happiness also. Let your thoughts, as much as you can, be happy thoughts and memories of the deceased, so that they may feel and benefit from the blessings that your happy memories and thoughts bestow on them."

“ *Mike built my beautiful addition in 2004, that is how I came to know him. He was of course a fine builder with a good working relationship with his crew (I know John will miss his buddy), but what struck me about him is his devotion to his family. We spent many moments talking about his kids. His pride and love shone from his eyes for each special gift of each beloved child. Renee, My heart goes out to you. It is a tragic and sad time I hope the love you shared will carry you through. I thought of Mike as a kind of kid brother and am deeply sad. He was just at my house doing some repairs and it was just the same kidding and fun time surrounding the work as always. I know you are blessed by many close friends and family and young people that you opened your home to and I hope this sustains you and your kids. I am unable to attend the service. Betty and Bill, My worst nightmare is the thought of loosing a child. I know how close he is to you. It is just plain heartbreaking....*

...My deep sympathy to each of you, Betsy Spears

“ Dear Betty, Bill and family, Words cannot express how sad I am. Our kids grew up together, played together, went camping together. Bill is like a brother to me. Betty was my first love (in 5th grade). And Michael was one of those special persons, a gentle giant loved by everyone. My heart goes out to you all.

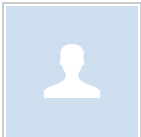

Love, Rocco

“ Dear Bresett Family,

The heartfelt sadness I felt upon learning of Mikes death will not be forgotten. Unfortunately for me I only knew Mike through his mutual friend Ron Boody. But once I was introduced to Mike it was more than obvious that he was person who welcomed anyone that was a friend of one of his friends, and he did so without hesitation. The few times (and we had some great laughs at the Patriot game and I believe Renee won the pool that day) I spend with Mike he made it clear to me the caring person he was. Mike and youre family will remain in my prayers for ever more. May God be with you.

Sincerely,

Shaun P. Brennan

“ Renee and family,

Ive been thinking for hours on what to say, and Im still lost. It just doesnt make any sense. Mike was a very caring person who shared everything that he was blessed to have. Both you and Mike welcomed Stephanie into your home many times - she truly has a special place in her heart for both of you. We will always remember that.

If there is anything that you or your family need at any point in the future - we will help in any way that we can.

May you find peace with this and know that Mike was very special to many. God Bless.

“ When I think of Mike, I picture him as a young child with the stack of bouncing curls all over his head. As an adult he wasn't much different. I never saw him with anything but a smile on his face. He loved his family, and they loved him. That's the bottom line, and what this life is all about. Fortunately there is a beautiful family to carry on his legacy. I see much of him in his sons, as I saw much of his parents in him. Please know that an entire community is mourning for the loss of your beautiful Michael. If there is anything that I can do to make this time easier, please say the word. We're here for you. Hugs and much love sent your way. Prayers said on a constant basis. I'm sure that Michael is in good company now, as he was during his life here with all of you.
