“ I did not know Muriel personally, but I used to see her riding on the BRTA when I used to ride to work on the bus many years ago. I recognized her picture from the obituary; and though I certainly send prayers and sympathy to her family, I wanted them to know that even after all these years, I remembered her as being an extremely pleasant woman, always even-tempered, with a wonderful sense of humor. If she left that kind of an impression on me, how fortunate her family is to have had someone so special in their lives.

“ *To the children (family) of Muriel: I just wanted to let you know how sorry I was to hear of the death of your mother. I worked with your mother for a number of years at Legal Services; her in Pittsfield and me in Springfield. She was a lovely woman and we shared quite a few laughs! Please know that you are all in my thoughts at this difficult time. Sincerely, Betty Sweeney*
