“ I was having my lunch at The Basin and was smelling all this wonderful food. This is how I met Patrikia. We became friends. I have thought about her often throughout the years. I am sure her family has wonderful memories of her. Rest in Peace my friend.

“ I didn't know that my old friend Pat from Boston passed. I have so many fond memories of her and David. We were roommates for awhile in the 70's when David was a little boy in Waltham MA and continued our friendship for a few years until I lost touch with her. I'll always remember her as a lovely person, full of life and fun. Too many memories to tell here but all were good. Love you, Pat
