“ Dear Jackie and her beautiful family, I am so very sorry for the death of your mom, grandmother (Memie) and mother-in-law. The sting of death causes much pain for the living, she is in God's memory now, Phyllis is at peace, only resting, she feels no more pain of old age that has taken her away from you all. You will feel better in time, your grief will lighten, but, you will never forget the love that she had for you all. So in my closing, I shall be thinking of you all. Praying to give you the strength to endure these critical times hard to deal with. Love always, Marian

“ Haddad Family, I just want to say how sorry I am for your loss. I enjoyed Phyllis' company when I would check in on her from time to time. I loved playing cards with her and the family around the holidays (which every day is a holiday at the Haddad house, LOVE IT) she was a hoot. May your memories give you peace at this time. Kelly
