“ To Alan, Somwang, Zavia and Dawn: I remember Priscilla as a warm and friendly lady, always happy to talk and making everyone feel of value. Even in her last months here at BFCN she was friendly and gave smiles. As you process her loss, I pray that you can focus on fond memories and can celebrate Priscilla. I pray for your family as you go through this weird Covid19 summer. Grieving is hard enough in a normal world! (What a nice picture!)  
Sincerely, Sandy Aasen
