“ Dennis, Mark & Mike - On behalf of the entire Elwell family, I'd like to express heartfelt condolences on the passing of your dad.

My dad always said that without Rene so many good causes in Adams would have been wanting, including the football program and Notre Dame parish. Several generations of young men were the beneficiaries of his tireless dedication.

Your dad was one of a kind. He pitched a full game for his family and the community. May he rest in peace.

*I became a member of the kids football committee when Rene was still president. Can't remember if Rene or Dan Hogan asked me to do it. Rene and the other businessmen who started the committee did a great job. All the other towns who had junior football charged the boy's parents a lot of money to play. That's still the case today. Our program charged the parents \$10 so that every boy who wanted to play could do it. Some of the original sponsors dropped out and that meant that we had to do even more fund raising. I was lucky enough to have committee members who worked very hard to raise enough money to keep the program going even after I moved to Ga. I served as President or treasurer for 8 of the 9 years I was in the program and was fortunate to work with some of the best people I've ever met. Thank you to Rene and the original members who started the program. My condolences to Rene's family. He was a good friend who had a lot to be proud of and I'm proud to have been his friend.
