“ Hey Colder than a Mountain top in Da Nang here and at your place, no spoonen though. Miss you Buddy keep your boat clean and ready for when I get there then the 4 of us can go, you don't get the trolling moter though cause when someone else catches a fish you put it on high and get them away you just hate to be out fished from the back of your boat like the lake where you put your boat and trailer under water and i had to go swimmin to help you get off the ramp - then you got pissed off when some stranger thought he knew me even called me Jim I had know idea who he was but you and him argued for half an hour that he didn't know me it was a great time.

Love you Brother 2-Charlie

“ Hey Buddy had a great talk with TJ, last night close t 2 hours we talked and laughed about our adventures - not all of them just the fun ones. Both of us are greeted by Cardinals at special times we know you Cookie & Kathy are looking out for us, to keep us inline its hard with the way that the times are changing.

All your family is getting along good as you always wanted, be proud they are good honest hard working members of the Mccarthy Klan. Yes they keep intouch with Myhanh- told ya 😊 .

I really miss our talks, but here will do for now until it's my turn to try to get in hope Cookie, Kathy, ya and even you are there to help me get in then the four of us can go fishing, - you better have a good boat ready for me, I'll teach you what the depth & forward facing fish locator is for.

I'm doing my best not sure how long I have, - I'm hanging in there it gets lonely at times but my little dog helps me cope with world events, and the people that just can't see past their own needs.

Mac be proud all is ok your family is doin good, they all miss their Papa Big Mac, TJ & Tim have stepped up to fill your shoes and are doingva good job, be proud Buddy

Love ya 2-Charlie

“ Hey, 2- Charlie

*Me again, Christmas tomorrow not having a good day to many thoughts running wild.*

*Most of all people not sure why so many are so ignorant with the use of words and self worth, some think they are so important yet are just self absorbed in themselves, this is supposed to be a good time to be compassionate to our fellow man - I'm just tired of thieves, self promoting people at this time of year, j hope the otherside is better.*

*I dred going out at times seems like I always run into a 100% top shelf dumb ass, and I'm the one they choose to shoot their mouth off at, could you give me a hand, to just ignore them and just wak away.*

*Love ❤️ ya and miss ya Brother*

“ Hey Buddy still knockin on Heavens Door. I know your in and fishing with Cookie and Kathy enjoying the after life. Maybe with your help I'll get in to see my wife again Damn I miss her and you ( our morning talks ment alot to me ). I'm setting here with the dog on my lap, it 5:30am my time been up a bit, but still here Christmas is a day away, I'm sure T J and Tim are getting ready for a big Papa Mac Christmas, as far as I can tell they are doing well, as are yours and my grand-kids, life passes fast - faster than either one of us thought/

Ya I still think and talk to you most everyday not many people our age to talk to and everyone else are to busy running in circles, They have know idea how fast its going by until its to late as we found out,

If you were still here I could buy you a pair of Don Trump tennis shoes, coins, choo choo train, and most of all a DJT- Bible how ludicrous is that he must have wanted that really wanted that job, he didn't want drafted though or join cause he had a heel spur, a boo boo ouchie.

A male Cardinal along with 2 females show up here now and then, this dog will not let me do anything alone typing at my age is difficult with her on my lap, hope your all watching over me during my time here I need all the looking after I can get .

Merry Christmas to you Cookie and Kathy Love you all take care

“ Well 2-Charlie its been a year since you passed, if the gates haven't opened yet Kathy & Cookie are doing good your still there and didn't go down stairs yet.

*I think and talk to you almost everyday, many times I smile thinking of just how nieve we were at 19 & 20 years ago plus the dumbass things we did known only to us, ( I did tell TJ about one of the more drummer things we did steam bath 🚿 ).*

*Not sure how long I have left but life sure isn't fun with friends and loved ones that have left, miss Cookie everyday & and our daily talks that we both enjoyed, in our own way.*

*You should be happy you didn't have to go through this election this year, you would not be a happy camper it's hard to see our Country so divided. Thanks for helping me get through some bad times, I'm not ready to join you yet but thoughts are there.*

*Love and miss you Buddy*

“ Well 2-Charlie you've been gone 5 months now damn time goes fast, I've got a few of cardinals that show up most everyday now a couple of males and a couple female's I'm hoping it's you Kathie and Cookie paying me visits just checking up on me .

*This day has many meanings in my life, in 1966 Kavanaugh, Ingram and I Graduated from jump school ( 58 years ago ) and found out what the 173rd patch looked like, then a few months later I was in Country as a cherry meeting the other new guys one a skinny short guy with a accent from Massachusetts never thought we would become so close over the next 58 years. Miss you Buddy!*

*Also my mother passed on this day in 1990, seems to be a day I should remember for some reason.*

*I miss our talks Mac but TJ calls now and then to let me know he shares many of your traits and is repairing some of your Mr. Fixit handyman jobs.*

*Happy St. Patrick's day 🍀 2-Charlie*

“ *2-Charlie, we were friends and Brothers to the end, only you and I know the true Joy of our time together sharing our memories of years passed, and the new ones of our lives that were graced by God with Fantastic loved ones.*

*You always spoke of fishing with Jerry, watching Ryan ride his motorcycle and how he took up golf, Katies' determination to become a Veterinarian, how Sarah would bring Artie over and how he knew where his Papa hid the M&Ms. Then you were given Myhanh and her family what a joyous surprise given to you.*

*It was many years we lost each other, though when reunited it was as if time started as if there was no time lost.*

*To Tim, TJ, Myhanh, along with all your loved ones know my heart is broken 💔 for the loss of Dad, Father-in-law, and " PaPa ".*

*I know St. Peter will see the man I know who is standing tall at the gates and they will open for you .*

*God Bless my Brother May you Rest in Peace 🙏*
