“ Bob was a great man . I can still remember back when we worked at K-Mart here in NA , I worked in the auto shop and he in sporting goods . We had such good times then we both went on to work together at Haddads in NA as well . I worked on his trucks (square Bodys of course) all the time . My heart aches and I send my upmost condolences to everyone . He was a GREAT friend and brother as we called each other . :(
