“ My deepest sympathy for the loss of Bob to Joann, Mark, and Mary Ann. I pray for your comfort. He was a truly great human being and the world was a better place with him. He touched lives in ways he may not have known, and will be missed very much. I always enjoyed seeing him and fondly remember his generosity showing a young lad the finer points of hunting.

“ Bob was always a kind and caring man to say the least. He never hesitated to help whenever he was given the opportunity. I'll never forget all of the lessons Bob taught me throughout the years, and i'll cherish the times we fished together when I was a kid. Thinking of everyone during these times, and you will be in our thoughts and prayers. Love you JOJO

“ Dear Jo, it was with great shock and sadness that I learned of Bobs passing late this afternoon. He was very dear to me as he reminded me of my dad when he would come into the market and play his harmonica for me and all to hear. He knew all the tunes that I grew up listening to as a child. He would share stories of his hunting experiences which were always very interesting. Most recently he shared his worries for your recovery from your recent illness. His kind and caring ways for Helen and Moose made him even more endearing. My thoughts and prayers are with you, and I pray that you find comfort and peace in the beautiful memories of your charming husband. Sincerely, Lois (cashier).
