

Mrs. Sandra Bateman

March 20, 1957 - January 1, 2024

Mrs. Sandra (Fox) Bateman, 66, of Lenox, died on Monday, January 1, 2024, at her daughter's home in Fort Gregg Adams, VA.

She was born in Pittsfield on March 20, 1957, a daughter of the late Robert and Helen (Oparowski) Fox. She attended schools in Pittsfield and graduated from Taconic High School.

Sandra worked for many years as a certified nursing assistant for Berkshire County ARC, where she was known as the "house mother", baking and cooking for all the residents and staff.

She had been a Girl Scout Troop Leader and enjoyed baking for her family.

She is survived by her former husband, Anthony M. Bateman, Sr., of Pittsfield; her son, Anthony M. Bateman, Jr.; two daughters, Desiree Addy and her husband Benjamin of Fort Gregg Adams, VA and Nicole Zink and her husband Mark of Lenox; her brother Thomas Fox and his wife Mary of Adams; her sister Susan Fawcett and her husband David of New Hampshire; six grandchildren, Benjamin, Anjali, Azriel and Davina Addy, Ivan Zink and Alice-May as well as several nieces and nephews.

Funeral services will be private for the family. There are no calling hours.

Our mother gave to all who asked and who did not ask of her. She was truly a servant of God. Although, she did not expect the recognition my mother was a devout giver of charity to family, neighbors, and the homeless, the outcasts and the poor. She fed people begging on the streets. Her regular contributions were to organizations such as Christians United for Israel ministering to

widows and orphans there. She also religiously gave to Indigenous children and several Federally recognized Native American organizations including Southwest Indian Foundation. Additionally, she gave to St. Jude Children's Hospital and a donation was also made by her daughter in her honor to WebYeshiva for the continuation of A Torah Education. Memorial donations in honor of Sandra may be made to any of these charities.

“ *To Sandy's Family and to our Dear Cousins Tommy and Susie,*

We were in shock to hear of Sandy's passing, so young, so sudden, and leaving a profound loss and sadness with her whole loving family,.

Coming from a family of about 100 cousins, it is sad to see so many younger ones passing before us.

We will always remember the times in Pittsfield where we would spend the whole day visiting with Sandy's Mom, Cioci Helen (and Uncle Bob,) who was Mom's younger sister. Then they would come to Adams and spend time with us playing in our yard and enjoying the day.

Our deepest condolences to the whole family as we know this left a huge loss and profound sadness with all of you. Sandy did many good works, and will surely be rewarded-may she rest in peace.

God Bless You All and help you through this difficult time. Her memory will surely live on.

“ I used to work with Sandy when I was in high school, and she made a big impact on who I grew up to be and how I viewed the world and other people. I'll always cherish those memories and what she taught me. I found something I wrote for a high school project about 12 or so years ago about Sandy and our friend Connie, and I'd like to share it here as my contribution to her memorial.

...ple who have really changed my outlook on life I haven't

... self. I have worked with them nearly every week, and some
... change my life. Every week, they would tell me stories be
... re each taught me many life lessons. Work would never b
... If I'm grateful I had the opportunity to meet them.

*To Susie, Tommy and children of Sandy,
I'm so sorry to learn of Sandy's passing. I remember her as my first
childhood friend and treasure those long ago memories. It's no surprise
to learn of Sandy's benevolence. I'm sure there's a space in Heaven
with her name on it.
Sending love and hugs,
Pam*

Tony, Anthony, Desiree & Nicole, It is going to be very hard to say goodbye to your mom. I met you as neighbors, but your family and mom became so much more. Your mom was one of my best friends and I so enjoyed spending so much time with you all. We shared so many laughs and some crying too. She kept my secrets and was always there to listen. I kept some of her secrets too. We swam for hours and even skinny dipped many nights. We ate many meals together as she was always inviting us for dinner. She was so kind to Jenn and Jamie and treated both of them like her own. There are so many things I could say about her, as I have so many wonderful, happy memories. You guys will always have a special place in my heart, I promise as long as I live, I will be here for each of you.

Rest in peace my dear friend. I too am sure that there is a special place in heaven for you!

Sending thoughts and prayers to you all.

Love,

Marcia
