“ *Sandy was there when my parents needed help. I'm sorry that I just found this morning or I would have been at the Service . She was a very caring and giving person. She made my mom laugh when my mom didn't even know what was happening in the present. I will always be grateful for the time she spent taking care of my folks. Now you are at peace, enjoy!*

“ Mom I am so glad we were able to make many many memories so I will only list a few.. from you sending me off to church on the purple bus every week, or Sunday school across the street or even to the channel 3 kids camp every year to help me grow and learn how to be independent and how to survive. I remember going up to the Greyhound races in NH with you we used to go there all the time. But our mother daughter thing was to go to Mickey's Drive-In in East Hartford and go sit at the Connecticut River boat launch and eat our lunch together so I will be sure to do that this summer. The most vivid memory I have is you being by my side through everything being the most supportive person in all of my decisions in life especially when I became pregnant at 15 years of age in High School..you picked up the phone called everybody in the family to make sure I had a support system and nobody was going to turn their back on me I love you for that I just want to say thank you for molding me into the woman that I am today and I will strive to continue to grow and be as wonderful as you were. You did a great job on raising us girls. You weren't just a mom to us you were mom to everybody..you will be greatly missed.. hope you're fishing and doing puzzles up in heaven I love you Mom! 🌹

“ There's so many memories I have of my mom, she was more than a mother she was a best friend a fishing buddy a shoulder to cry on, always had good advice to give, she was a very wise woman, when she walked in a room she brightened it up with her laughter, and jokes she was great for that, she had much love for her family and friends and would be the first to cook for an event, and help with anything, gonna miss my momma so much, she was the strongest woman I know and now shes a beautiful angel up there watching over us like she always did! I Love You Mom may you RIP
