“ To Stefanie's family--Stef was truly a wonderful person and a great classmate. Stef had a way of making everyone around her smile and be happy too. I remember visting Stef when she was in Florida and she told us all the cool places to go at Disney. We will miss Stef when it come time to plan our next reunion as she was always a great help in finding addresses. Stef was always fun to be around and had such a great laugh. She was truly a good person and will be missed by so many people. My thoughts and prayers are with her family during this difficult time.

“ What sad news. Stefie was a wonderful person. I don't know of anyone who didn't like Stef and I've never heard anyone say anything bad about her. She had an infectious smile and laugh. Stef never forgot her friends and her hometown, helping with each class reunion...even though she had moved far from Sparta. That was just the kind of person she was. And Stef was especially proud of her family! I know I was a better person for knowing Stefie and will miss her. To Stef's family, I am deeply sorry for your loss. Wendy Johnson

“ To Stefanie's family,

*I am so, so sorry for your broken hearts. It is hard to adjust to this reality. Stef was truly a beautiful person inside and out. Such a supportive friend with an engaging giggle. I have spent a lot of time thinking about her lately. How much fun we had cheerleading together, double dating, working at the pool, living in Florida, and visiting her and Mike in Aspen. She was always such a hard working woman! But, as I said in my email to her, the job that suited her best was mother. She has done a GREAT job letting Elizabeth and Jenna know that they are loved and cherished and special. She gave them a wonderful foundation and they will grow from the love she planted. I'm praying for your hearts to heal with the love that is pouring in from family and friends. You are in my thoughts and prayers.*

*Love,  
Peggy Riley*
