“ *It doesn't seem possible that it has been over 20 years since Steve and I rode to the jobsite together working for Cardan Construction. He was a man of few words in the morning, sometimes speaking only to tell me to "stop snoring!". Steve was a great guy to work with and a wealth of knowledge to learn from. He will be missed. My condolences to his family.*

“ I remember how hard Steve laughed when Nate read his birthday message to Mike at the Desperadoes party. Many people have mentioned his laughter and smile - and that is definitely something that stood out about Steve. Thinking of you all - praying for you and hoping that the knowledge that Steve was a happy person who found joy in his life and family helps ease the pain of losing someone so loved.

“ Marianne and family I'm thinking of you with great sadness. I look back some 40 years ago and still recall Steve's soft smile and agreeable personality. Yes its been that long but still fond memories never fade. I share your sorrow and trust your journey of healing has a rainbow at the end. Prayers are worthy; eyes have not seen and ears have not heard what the lord has in store for those who love him. With sincere sympathy Linda West
