“ I would like to extend my deepest sympathies to the entire Kuta family on the passing of Steve. I am a friend of Mike's and while never actually meeting Steve personally, I developed an admiration and respect for him through the many stories told over the years. In knowing Mike I can appreciate the type of man, father, brother, son and friend he must have been. He will be missed.

“ Sandy, we were so sorry to hear of Steve's death in the paper today. He did some plumbing work for us in the past and was a nice man. I'm sure you and your children will miss him terribly. What a shock it must have been for all of you! Remember that, though he's no longer here in person, all that he meant to you, all the ways in which you're changed by knowing him, will remain with you throughout yours and your kids' lives. We send our condolences. Love, Cathy & Jim Groves, Savoy
