“ I am so sorry to hear about Terry. I worked with her at Spragues & remember her with her good sense of humor. My thoughts are with you.

“ I am so sorry about Terry. We had so many heart to hearts when she worked in Medical Records. She always made me laugh which is what I will remember most about her. I know how much she loved Frank and thought he was the most handsome man around. She also glowed when she spoke about Steph and Michael and how she loved her grandchildren. Hopefully fond memories will help you.

“ Frank, Stephanie, Mike & families,

Please accept my deepest sympathy on the passing of your wife and mother. She was a very special friend to me and I'll cherish her memory forever.

*I had written in the Berkshire Eagle's guest book before realizing there was a page here for her. Regardless, I cannot sympathize enough with you all, as she was a very special and kind person in my eyes and had a heart of gold to those she loved. May she rest in the peace and comfort in which she so deserves. Love, always,
"Kelso"*

“ Dear Mr. Kozik-

I am the x-ray tech at Berkshire Hematology Oncology, and I was so very sad to hear the news of your wife. She has a special place in my heart, and I was always happy to see her and give (and get, in return) a big hug from her at work. She is out of her pain, now, and I know that she is a special angel, watching over us. I send you and your family my deepest sympathy. Please know that Theresa was loved by so many people- every life she touched. God bless all of you.

Most sincerely, Lori
