“ I cannot begin to understand the depth of loss you are feeling, but my heart goes out to you. I did not know Tom but I know the vibrancy and enthusiasm you have brought to every day, and that energy comes in large part from the loving support of a soul mate. The miracle of a soul mate is that he is not bound by earthly form, may you feel his continuing presence in your life.

“ *Marjorie,
I am a bit heartbroken by this news and I never met the man. The pain evident from your Facebook post this morning makes the extent of your suffering clear. The love you and Tom shared will always be and therefore will your grief.
My God help you and 'his boys' take care of each other and when that's not enough; let those who love you do so.
May Peace return,*
