“ Pat so sorry for your loss, I will always remember the special thing you and Tom did for our 25th anniversary. You made it so special. Who but the both of you and your big hearts could have turned back time. May God bless you and keep you safe and comfort you in your times of sadness. Been meaning to send our condolences so ashamed it took this long. Again Tom was a wonderful man.

“ My deepest sympathies to Pat and the entire family at Tom's passing. Despite the fact that it's been 47 years since high school, when I bumped into him a few months ago, it was instant recognition for the both of us. Tom was the same good-natured guy I knew in school. He touched many of our lives with his music. God bless him and all of you as well.
