“ Kathy, Karen, Susan, Eric and families. Our sincere condolences to all of you and you extended family. I am so sorry we never got to visit her over the years, but know we thought of her often. Verlie was a wonderful and caring person. First met her when I helped her with her Brownie Troop and continued a wonderful friendship. I still have pictures of her at our wedding in 1969. Rest in peace, friend.

“ Condolences to Dick, and all of the family. We are so sorry to hear of her passing. Kelly trained me and taught me how to drive a standard shift school bus! She was a very patient woman! I will never forget the week we drove the buses at Woodstock '94! Many, many fond memories!
