“ *My mom outlived my dad by 31 years. Why did those 31 years have to go by so quickly. Mom, you have a new great grandson! Wish you could have met him! I will make sure, as he grows up, to tell him many stories about his great grandmotherHe came into this world just two days after you left.. Say hello to Dad for me. Til we meet again!*

Dear Sue, Millie, Sharon and Fran, and families,

We loved having your Mom as a neighbor. Her home was open at various times for that lovely cup of tea and whatever she had in her "sweet" cupboard to share. I enjoyed those special times and getting to know her better. She loved watching Bill on TV and made mention of it several times. We enjoyed her catching us up on what the family was up to and how they were all growing. She was so blessed to have you all. We will miss her Christmas greetings and the news of each of you. Our thoughts and prayers are with you as you will miss her dearly. Her first Christmas seeing the Lord for herself.

In His amazing grace and love,

Bill & Marianne Plenge
