“ It is with deep regret and great sorrow to hear of Bill's passing. I worked for him in the 1960's at Mel & Bill's. He also attended my and Carla's wedding. He crossed the wires on my Corvette so we couldn't escape. He was one of my mentors and I have always held him in high esteem. My heart goes out to his family as I have known many of them over the years. I am comforted to know that he lived so long, did so much, and passed away peacefully.
